

## APPOINTMENT LETTER

**Date: 16th August 2022**

**Hello Aditi Dhanawade,**

We would like to inform you that we are offering you the role of Database & backend developer at our organization, your primary responsibility will be developing, testing, improving and maintaining new and existing databases to help users retrieve data effectively. As part of our backend team, you will work closely with developers to ensure data output consistency & accuracy.

We look forward to work with you in our organization & making some good memories and most importantly great learning ahead, Welcome abroad!

**Thankyou**
